Statement on Ethical Standards

Dear Sir or Madam,

The observance of **existing norms and values** is stipulated in our company policy. A long-term, trusted cooperation also includes the integration into the value added chain and the process of innovation. Hence, the choice of our suppliers is oriented towards our business objectives as well.

HASCO acts and proceeds in compliance with **prevailing ethics**. The observance of laws and regulations is well implemented.

Best regards

Kamil Rosada
Team Leader Sales Support
